

PBH RESIDENTIAL CARE HOMES

Notification of Criminal History / Misconduct Check

The Texas Department of Aging and Disability Services (TDADS) requires all licensed Assisted Living facilities to offer only temporary employment to new personnel until a criminal history, Misconduct and Nurse Aide Registry check can be completed. An employee may not be considered permanently employed until all the results have been received. This does not apply to persons licensed under other state laws.

A facility shall inform each applicant for employment that the facility is required to obtain such information. To comply with this law, PBH RESIDENTIAL CARE HOMES will forward the relevant identifying information to the Texas Department of Public Safety. Any person found to have a conviction for certain specified crimes cannot be offered permanent employment by this facility.

In addition, PBH RESIDENTIAL CARE HOMES will not employ a person who is listed in either the Nurse Aide Registry or Misconduct Registry, as having abused, neglected or exploited a resident or a consumer of a facility.

By signing below, I give my consent for the criminal history check and registry checks and acknowledge my permanent employment with PBH RESIDENTIAL CARE HOMES is contingent upon such findings.
